Are you a student getting Youth Allowance?

If things change, let us know within 14 days.

We need this information to make sure you're paid the right amount.

You need to tell us about:

changes to your study load or your course details

changes to where you live or who you're living with

not working or studying due to sickness or injury

changes to your work or income details

For more information, go to **servicesaustralia.gov.au/manageyastudentapprentice**

You can view and update your account details online using your Centrelink online account through myGov or the Express Plus Centrelink mobile app.
