Are you travelling outside Australia?

Payments while outside Australia

To get your payments or concession card while outside Australia, you must continue to meet the eligibility requirements for each payment or concession card.

Depending on your payments or concession card, there are different rules on how travelling outside Australia may affect you. When you leave Australia, your payments or concession cards may change or even stop based on these rules. For the most up-to-date information about payments and concession cards while you are overseas visit humanservices.gov.au/paymentsoverseas

Check the website before you travel or call us on **131 202** to speak to someone in your language about your specific circumstances.

Tell us about changes to your circumstances

It is important that you advise us of any change to your circumstances that would normally affect your payments or concession card while you are overseas, as you would if you were in Australia. For example, you need to tell us if there are changes to your relationship status.

How to tell us about your travel

The easiest way to tell us about your travel plans is to use your Centrelink online account through myGov. You can add, view, update and remove your overseas travel details online at any time.

Register for a Centrelink online account through myGov before you leave Australia so you can easily tell us about your travel plans and access your letters and other services online while you are away.

Australia's immigration department will also advise us when you leave Australia.

If you don't have a myGov account already, create a myGov account at my.gov.au and link Centrelink to your myGov account by selecting 'Services' and then the link icon next to Centrelink. You may need to answer some questions so we link the correct record to your myGov account.

If you choose to register your mobile number with myGov, make sure you can receive messages from this number while overseas.

Accessing Medicare while outside Australia

You will not be able to access Medicare services while overseas. If you get sick, you may have to pay for all your medical treatment. If there is a Reciprocal Health Care Agreement in place with the country you're going to, you might not have to pay for some things. These agreements cover the cost of essential medical treatment for Australian residents travelling in some countries, and are not designed to replace private travel health insurance for overseas travel.

If you are going to a country with an agreement, take your current Medicare card with you. Then, if you need medical treatment, it can make the process easier.

For more information about Reciprocal Health Care Agreements, including if Australia has one with the country you are travelling to, visit humanservices.gov.au/rhca

Taking or sending your medicines overseas

It is illegal to take or send Pharmaceutical Benefits Scheme medicines out of Australia that are not either for your personal use or the use of someone travelling with you.

You will find the most up-to-date information about our payments and services while overseas, including Medicare, on humanservices.gov.au/australiansoverseas

Check the website before you travel or call **131 450** (TIS National) to speak to us in your language about Medicare and taking medicines overseas.
