

The Australian Government Department of Human Services needs to know to what bank account you want your Australian pension sent. Your payment will be issued from Australia via a bank in the USA and then to your bank account, in US dollars.

Please note that payments may be subject to fees levied by your bank, and such fees must be paid by you.

Please confirm with your bank or financial institution that your account is capable of receiving wire transfer payments in US dollars. The nominated account must be in your name, or that of your registered Human Services nominee, or it may be a joint account with another person. If you would like to register a nominee to act on your behalf in dealings with Human Services, please contact us.

Please fill in the details on pages 3 and 4 in BLOCK letters, and then ask your bank or financial institution to verify the information you have supplied.

Please attach a copy of a bank document that shows your bank details, including your International Bank Account Number (IBAN) and the name(s) of the account holder(s). Once the form is completed and your bank has confirmed the details, please sign the form and return it in the envelope provided to the address below. If you need help, contact Department of Human Services International Services (contact details below).
