

您在领取 Family Tax Benefit Part A 和收入补助福利金吗？

如果您的孩子过了 2018 年 7 月 1 日才年满 4 岁，他们需要在 5 岁之前进行体检。

如果不进行体检，或者您没有告诉 Department of Human Services 孩子做了体检，您的 Family Tax Benefit Part A 福利金可能会减少。

请联系您的家庭医生或卫生专业人员安排体检。您可以通过 myGov 在您的 Centrelink 网上账户里更新资料。

Do you get Family Tax Benefit Part A and an income support payment?

Do you have a child turning 4 after 1 July 2018? They need a health check before they turn 5.

If they don't get a health check, or you don't tell the Department of Human Services about it, your Family Tax Benefit Part A payments may reduce.

To organise a health check, talk to your family doctor or health professional. Use your Centrelink online account via myGov to update your details.
