Confirm your identity

Confirm your identity when you claim a payment or service.

There is no need to visit a service centre during this period.

If you need to claim a payment, the quickest way to do this is online. You can establish your identity and get a Centrelink Reference Number (CRN) with myGov to link to Centrelink. You can then make your claim through your Centrelink online account.

You can also establish your identity over the phone. We will give you a CRN and details to link Centrelink to your myGov account.

After you set up your Centrelink online account through myGov, you can make your claim online.

We will need to confirm your identity in person at a later date. We will contact you in the future to let you know what we need.

If you are a new customer
