Family and domestic violence checklist

If you are concerned about your or your family's safety, we can help. Here are some things to keep in mind if you contact Child Support, Centrelink or Medicare.

1. Do you have access to personal identity documents?

We may ask for personal identity documents for you and your children. This could include documents like these:

- driver licence
- birth certificate
- visa details
- passport.

If you do not have access to them, we can still help you. Contact us and we will work with you to find other options.

2. Do you know what payments you can get?

Use our Payment and Service Finder to see what payments and services you may be able to get.

You can also use it to find services near you. Select your state or territory, then family and domestic violence. Go to servicessaustralia.gov.au/paymentfinder for more information in English.

3. Does someone else deal with us on your behalf?

We can help you end an arrangement if someone else:

- has permission to deal with Centrelink, Medicare or Child Support on your behalf
- is getting and using your Centrelink payment.

We will let you know if we need to tell the other party about the change.

4. Do you or your children have a My Health Record?

Your or your child's My Health Record can contain contact information such as your address.

If this could put your family at risk, call the My Health Record Help line on **1800 723 471** and select **option 1**.

5. Do you have any requirements you need to meet to get your Centrelink payment?

You may need to meet participation or mutual obligation requirements to get a Centrelink payment.

Talk to us, or your provider, if you cannot:

- attend an appointment
- meet your participation or mutual obligation requirements.

6. Have you updated your personal details with us?

As part of your safety planning, update your personal details with Child Support, Centrelink and Medicare. This could be a new postal address or phone number.

This is to make sure only you get payments and correspondence from us.

7. Do you need to change any of your passwords?

If someone else has access to your online or myGov accounts, you can change your passwords at any time.

If you are concerned about the security of your records, let us know. For example, if you think someone has accessed your myGov account, call the myGov help desk on **132 307** for help in English.

8. Do you need to transfer yourself to another Medicare card?

You can transfer to a new Medicare card if it is unsafe to remain on a previous card.

To do this, call Medicare on **132 011** and tell us what you want to do in English. We will direct you to the next step.

9. Do you have secure access to a bank account in your own name?

As part of your safety planning, you may have secure access to a bank account in your name only.

If you would like us to send your payments to that account, you will need to change your bank account details. Remember, you will need to do this separately for Centrelink, Medicare and Child Support.

10. Do you need help to understand our information?

If you need help to understand information about our payments and services, there are options available. For example, we can help if:

- you have a hearing or speech impairment
- you need to talk to someone in your language
- you or someone in your care have a disability, illness or injury.

To speak to us in your language, call:

- **131 202** about Centrelink payments and services
- the Translating and Interpreting Service (TIS National) on **131 450** about Medicare or Child Support payments and services.

Go to servicessaustralia.gov.au/accessibility for more information in English.

You can also find information in your language at servicessaustralia.gov.au/yourlanguage

11. Do you have a current child support case or need to apply for child support for your Family Tax Benefit?

Call Child Support on **131 272** for information in English if you are concerned about:

- seeking child support from your ex-partner
- us contacting your ex-partner.

12. Is there other business you need to talk to us about?

You can talk to us if you have questions about:

- Centrelink payments or debt
- Medicare payments or processes
- Child Support assessments or debt
- the security of your Child Support, Centrelink or Medicare records.

Go to servicessaustralia.gov.au/contactus for more information in English.

13. Where can I find other support services and tools?

Our social workers provide free, confidential counselling. They can refer you to other services that might help. Call our Employment Services line on **132 850** and ask to speak to a social worker. Let us know if you need an interpreter. We will arrange one for free.

There are other organisations to help you. You can find a list in English at servicessaustralia.gov.au/domesticviolence
