JobKeeper Payment

You may be able to get JobKeeper Payment through your employer. Ask them if they have registered for this payment before you claim an income support payment from us. If they have and you are eligible, your employer will pay it to you.

If you are getting an income support payment and your employer starts paying you JobKeeper Payment, you must report that income to us. If you do not we will pay you too much and you will have a debt to pay back.

If you need to apply for a Centrelink payment

We have made changes so it is easier for you to claim a payment. We have temporarily removed the waiting period for newly arrived residents to claim some of our payments. Use our payment guide to check which payment is right for you. Go to servicessaustralia.gov.au/covid19

If you already have a Centrelink Customer Reference Number (CRN), you can claim online. You do not need to go to a service centre or call us. Go to my.gov.au to make a claim for a Centrelink payment.

If you do not have a CRN, go to my.gov.au to get one. You can establish your identity and get a CRN using your myGov account to start your claim. You do not need to visit a service centre.

- JobSeeker Payment
- Widow Allowance
- Partner Allowance

If you claim Family Tax Benefit (FTB) as a lump sum, you will get the Economic Support Payment with it. You will get the first after the end of the 2019-20 financial year, and the second after the end of the 2020-21 financial year. You need to be eligible for FTB to get the payment. You will not get it if you were eligible to get the Coronavirus Supplement.

Special Benefit

There are no changes to the residence and eligibility rules for Special Benefit, apart from the newly arrived resident's waiting period (NARWP). It has been removed for Special Benefit claims from 23 March 2020 until 31 December 2020.

You will need to meet one of the following to be eligible:

- you have not lived in Australia long enough to qualify for Age Pension or Disability Support Pension
- you hold an eligible temporary visa
- you are an Australian citizen or permanent resident under 16 years of age.

For more information go to servicessaustralia.gov.au/specialbenefit

Child Care Subsidy and Additional Child Care Subsidy

If your child cannot attend childcare, you should talk to your childcare service. You can get Child Care Subsidy for up to 42 absences per child each year for any reason. You should talk with your service about your options if your child cannot attend because of COVID-19.

Updating your activity hours

The number of hours of Child Care Subsidy you can get each fortnight depends on the hours of activity you and your partner do. If your hours of recognised activity have changed, make sure you update this.

If your family is doing less activity because of COVID-19, you can apply for extra Child Care Subsidy hours. If eligible, you may get up to 100 hours per fortnight between 13 July and 4 October 2020.

Temporary visa subclass holders

There are no changes to payments you can claim if you hold a temporary visa.

Temporary visa subclasses 060, 070, 309, 449, 785, 786, 790 and 820 may be eligible for:

- Crisis Payment

- Austudy
- Farm Household Allowance
- JobSeeker Payment
- Parenting Payment
- Special Benefit
- Youth Allowance.

For more information go to servicesaustralia.gov.au/newresidentswaiting

Removal of other waiting periods

We have removed other waiting periods to get certain payments.

Liquid assets are any funds you and your partner have ready to use. This includes money owed by an employer. Due to coronavirus we have temporarily removed the liquid assets waiting period from 25 March to 24 September 2020 for:

- Austudy
- JobSeeker Payment
- Parenting Payment
- Youth Allowance.

For more information go to servicesaustralia.gov.au/covid19

Seasonal work is work that is only available for part of the year. Due to coronavirus we have removed the seasonal work preclusion period from 25 March to 31 December 2020 for:

- Austudy
- ABSTUDY
- Farm Household Allowance
- JobSeeker Payment
- Parenting Payment

- Special Benefit
- Youth Allowance.

For more information go to servicessaustralia.gov.au/covid19

Partner income test

If you get JobSeeker Payment, we have temporarily increased the amount your partner can earn before your payment will stop. From 27 April 2020, your partner can earn up to \$3068.80 gross per fortnight before your payment stops. Remember your income can also reduce how much you get.

From 25 September 2020, your payment will reduce by 27 cents, instead of 25 cents, for every dollar your partner earns over \$1165 per fortnight. This amount may change if you get Pharmaceutical Allowance or Rent Assistance. If your income is less than \$300 per fortnight, your partner can earn up to \$3086.11 before your payment reduces to zero.

The increased partner income test does not apply to Status Resolution Support Services payment.

For more information about how much you can get and what your income and assets limits are go to servicessaustralia.gov.au/jsp

Income reporting

When we approve your claim for income support, you must tell us your and your partner's income. We cannot make your first payment until you do.

You must also report your and your partner's income to us each fortnight even it is \$0.

This is so we can pay you the right amount.

For more information go to servicessaustralia.gov.au/incomereporting

Mutual obligation requirements

There are things you must do to keep getting a payment. We call these mutual obligation or participation requirements. They were suspended due to coronavirus. We are gradually reintroducing these requirements from 4 August 2020 if you get:

- JobSeeker Payment
- Parenting Payment
- Special Benefit
- Youth Allowance as a job seeker.

Go to servicessaustralia.gov.au/mutualobligation or your myGov account for updates.

If you are a job seeker, you will have a Job Plan. We encourage you to attend any scheduled phone appointments or online activities where possible.
