JobKeeper Payment

You may be able to get JobKeeper Payment through your employer. Ask them if they have registered for this payment before you claim an income support payment from us. If they have and you are eligible, your employer will pay it to you.

If you are getting an income support payment and your employer starts paying you JobKeeper Payment, you must report that income to us. If you do not we will pay you too much and you will have a debt to pay back.

If you need to apply for a Centrelink payment

We have made changes so it is easier for you to claim a payment. We have temporarily removed the waiting period for newly arrived residents to claim some of our payments. Use our payment guide to check which payment is right for you. Go to **servicesaustralia.gov.au/covid19**

If you already have a Centrelink Customer Reference Number (CRN), you can claim online. You do not need to go to a service centre or call us. Go to **my.gov.au** to make a claim for a Centrelink payment.

If you do not have a CRN, go to **my.gov.au** to get one. You can establish your identity and get a CRN using your myGov account to start your claim. You do not need to visit a service centre.

For more information go to **servicesaustralia.gov.au/covid19**

- Austudy
- Farm Household Allowance
- JobSeeker Payment
- Parenting Payment
- Special Benefit
- Youth Allowance.

For more information go to **servicesaustralia.gov.au/newresidentswaiting**

Removal of other waiting periods

We have removed other waiting periods to get certain payments.

Liquid assets are any funds you and your partner have ready to use. This includes money owed by an employer. Due to coronavirus we have temporarily removed the liquid assets waiting period from 25 March to 24 September 2020 for:

- Austudy
- JobSeeker Payment
- Parenting Payment
- Youth Allowance.

For more information go to **servicesaustralia.gov.au/covid19**

Seasonal work is work that is only available for part of the year. Due to coronavirus we have removed the seasonal work preclusion period from 25 March to 31 December 2020 for:

- Austudy
- ABSTUDY
- Farm Household Allowance
- JobSeeker Payment
- Parenting Payment

- Special Benefit
- Youth Allowance.

Partner income test

If you get JobSeeker Payment, we have temporarily increased the amount your partner can earn before your payment will stop. From 27 April 2020, your partner can earn up to $3068.80 gross per fortnight before your payment stops. Remember your income can also reduce how much you get.

From 25 September 2020, your payment will reduce by 27 cents, instead of 25 cents, for every dollar your partner earns over $1165 per fortnight. This amount may change if you get Pharmaceutical Allowance or Rent Assistance. If your income is less than $300 per fortnight, your partner can earn up to $3086.11 before your payment reduces to zero.

The increased partner income test does not apply to Status Resolution Support Services payment.

For more information about how much you can get and what your income and assets limits are go to **servicesaustralia.gov.au/jsp**

Income reporting

When we approve your claim for income support, you must tell us your and your partner's income. We cannot make your first payment until you do.

You must also report your and your partner's income to us each fortnight even it is $0.

This is so we can pay you the right amount.

For more information go to **servicesaustralia.gov.au/incomereporting**

Mutual obligation requirements

There are things you must do to keep getting a payment. We call these mutual obligation or participation requirements. They were suspended due to coronavirus. We are gradually reintroducing these requirements from 4 August 2020 if you get:

- JobSeeker Payment
- Parenting Payment
- Special Benefit
- Youth Allowance as a job seeker.

Go to **servicesaustralia.gov.au/mutualobligation** or your myGov account for updates.

If you are a job seeker, you will have a Job Plan. We encourage you to attend any scheduled phone appointments or online activities where possible.
