

# Budget 2020-21

This information is accurate as at 6 October 2020.

## Health Delivery Modernisation – phase two

From 1 July 2020, the government will invest \$135.4 million into phase 2 of the Health Delivery Modernisation program. This next phase of work will continue to stabilise and consolidate the health payments system and provide a range of new digital services for customers. Phase 2 will be implemented over a 2 year period.

This change is not subject to the passage of legislation.

### **Who does this measure affect?**

This will make it easier and quicker for customers to do business with Services Australia.

### **When will this start and finish?**

This started on 1 July 2020 with funding provided for a 2 year period.
