

# Budget 2020-21

This information is accurate as at 6 October 2020.

## JobMaker Plan – digital business plan

The Digital Identity Program will deliver a single, secure way for individuals and businesses to use government services online.

This program is led by the Digital Transformation Agency. Services Australia's main role is the operation of the Identity Exchange. It brokers identity transactions in a way that protects people's privacy and security of data.

Services Australia also delivers other scope items under this initiative, such as operating the Interim Oversight Authority and integrating the use of a Digital Identity with myGov and Centrelink services.

This change is subject to the passage of legislation.

### **Who does this measure affect?**

This affects:

- Services Australia customers who choose to use a digital identity to access digital services
- Federal and State entities seeking to be a part of the Digital Identity ecosystem.

### **When will this start and finish?**

This started on 1 June 2020 and will finish on 30 June 2022.
