Penerangan penting

Anda akan menerima surat untuk memaklumkan keputusan permohonan anda.

Healthcare Identifiers Service

Perkhidmatan HI menyediakan satu set nombor pengenalan yang konsisten bagi individu dan penyedia perkhidmatan kesihatan. Nombor pengenalan kesihatan membolehkan rekod yang betul dipadankan dengan orang yang sedang dirawat. Cara ini meningkatkan ketepatan apabila maklumat kesihatan dikongsi antara pelbagai penyedia perkhidmatan kesihatan.

Healthcare Identifiers Act 2010 (Akta Nombor Pengenal Kesihatan) dapat dirujuk di www.legislation.gov.au

Healthcare identifier

Nombor pengenalan kesihatan adalah nombor unik 16 angka yang diberikan dan digunakan untuk mengenal pasti semua orang yang berkaitan dengan penjagaan kesihatan di Australia.

Tiada maklumat klinikal dikaitkan dengan nombor pengenalan itu. Anda tidak perlu ingat IHI anda untuk mendapat rawatan kesihatan.

Jika diminta untuk anak bawah umur 14 tahun, IHI akan dibuat menggunakan alamat ibu bapa atau penjaga.

My Health Record

My Health Record (Rekod Kesihatan Saya) adalah ringkasan maklumat kesihatan seseorang dalam talian. Rekod ini dapat diakses setiap waktu oleh individu itu dan khidmat penjagaan kesihatannya. Anda boleh mendapatkan My Health Record setelah diberikan IHI.

Untuk penerangan lanjut tentang My Health Record, layari www.myhealthrecord.gov.au

Healthcare Identifiers Service

The HI Service is a system that provides a consistent set of identifiers for individuals and healthcare providers. Healthcare identifiers provide a way to match the correct record to the person being treated. This improves accuracy when health information is shared between healthcare providers.

The *Healthcare Identifiers Act 2010* is available at www.legislation.gov.au

Healthcare identifier

A healthcare identifier is a unique 16 digit number that is assigned and used to identify everyone associated with healthcare in Australia. No clinical information is linked to the identifier. You do not need to remember your IHI to receive healthcare.

If an IHI is being requested for a person under 14 years of age, it will be created using the address of the parent or guardian.

My Health Record

A My Health Record is an online summary of an individual's health information. It can be accessed at any time by the individual and their healthcare providers. You can get a My Health Record after you get your IHI.

For more information about My Health Record, go to www.myhealthrecord.gov.au

You must provide **1** certified document from the Primary group or **2** certified documents from the Secondary group for each person applying for an IHI. The names in these documents must be identical. Documents provided must be current at time of application.
