## Get proof of your COVID-19 vaccination

You can get proof of your COVID-19 vaccination status through your immunisation history statement or COVID-19 digital certificate. You do not have to pay to get this proof.

The easiest way to get your statement or certificate is online using either:

- your myGov account
- the Express Plus Medicare mobile app.

Your vaccination provider needs to report your vaccinations to the Australian Immunisation Register before you can get your statement or certificate. This can take up to 10 days.

Your immunisation history statement shows all of the immunisations you have had that are recorded on the Australian Immunisation Register.

Your COVID-19 digital certificate only shows your COVID-19 vaccinations. You will be able to see your digital certificate after you have had all required doses of a vaccine that has been approved for use in Australia.

## How to get your immunisation history statement or COVID-19 digital certificate if you are eligible for Medicare

Using myGov:

1. Sign in to your myGov account.
2. Select the **Proof of COVID-19 vaccination** quick link.
3. Select your name, and then **View immunisation history statement (PDF) or View COVID-19 digital certificate (PDF)**.

Using the Express Plus Medicare mobile app:

1. Sign in to the app.
2. Select **Immunisation history** from **Services**.
3. Select your name, and then **View immunisation history statement or View COVID-19 digital certificate**.

If you cannot get your immunisation history statement online or need help, call **1800 653 809**.

## Adding your COVID-19 digital certificate to a digital wallet

2. Select your **name**, then **View COVID-19 digital certificate**.

3. Select either **Add to Apple Wallet** or **Save to phone** for Google Pay.

If you are using your Medicare online account through myGov:

1. Sign in to your myGov account using a browser on your device.
2. Select **Medicare**.
3. Select **View immunisation history** on the Immunisation history tile.
