If you are affected by coronavirus (COVID-19)

We have payments that may help you if you or your family are affected by coronavirus. You can use our payment guide to check which payment is right for you. Go to servicessaustralia.gov.au/covid19

You can claim most payments online. To claim online, you need a myGov account linked to Centrelink.

If you don't have a myGov account, go to my.gov.au to create one.

For help setting up your myGov account, go to servicessaustralia.gov.au/mygovguides

COVID-19 Disaster Payment

This is a payment to help people who are unable to work and earn income due to a COVID-19 state or territory public health order. This may involve a lockdown, hotspot or movement restrictions.

Automatic payments will stop when 70% of people aged 16 or older in your state or territory are fully vaccinated with 2 doses of a COVID-19 vaccine.

If you are still affected by movement restrictions, you will need to reapply for the payment each week so we know you remain eligible.

After your state or territory reaches 80% fully vaccinated, the payment will reduce over 2 weeks, if you remain eligible.

How much you get will depend on your situation. Before claiming, check if you are eligible.

Australian residents must claim online, it is the quickest and simplest way. Eligible working visa holders must call the Emergency information line on **180 22 66**.

For more information go to servicessaustralia.gov.au/covid19disasterpayment

Pandemic Leave Disaster Payment

- you are told to self-isolate or quarantine due to COVID-19
- you are caring for someone who has COVID-19.

If eligible, you will get \$1500 for each 14 day period you self-isolate, quarantine or care for someone who has COVID-19.

For more information go to servicessaustralia.gov.au/pandemicleavedisasterpayment

- Parenting Payment, if you're the main carer of a young child.

If you are in need of financial support, you can test your eligibility for an income support payment. Use our COVID-19 [payment guide](#) to see what you may be able to get. For more information go to servicessaustralia.gov.au/jobseekers

Child Care Subsidy and Additional Child Care Subsidy

If your child cannot attend child care because of COVID-19, you should talk to your child care service.

You can get Child Care Subsidy for up to 42 allowable absences per child each year for any reason.

You can access additional absences if you live in, or your child care service is in an area that is a Commonwealth declared COVID-19 hotspot. You can only access these absences if a COVID-19 hotspot declaration is in place for more than 7 days. You will not have to use your regular 42 allowable absences. You do not need to do anything to get these absences. If you are eligible, they will apply automatically.

Visit the [Department of Health website](#) for a list of current hotspots.

Updating your activity hours

The number of hours of Child Care Subsidy you can get each fortnight depends on the hours of activity you and your partner do. If your hours of recognised activity have changed, make sure you update this.

For more information go to servicessaustralia.gov.au/childcaresubsidy
