COVID-19 Disaster Payment

Za pomoč ljudem, ki zaradi državnega ali teritorialnega odloka za javno zdravje zaradi COVID-19 ne morejo delati in služiti denarja, nudimo plačilo. To vključuje zaprtje, žarišče ali omejitev gibanja.

Avtomska plačila bodo ustavljena, ko bo z dvema odmerkoma cepiva proti COVID-19 polno cepljenih 70% prebivalcev, ki so stari 16 let ali več v vaši državi ali teritoriju.

Po tem, ko bo vaša država ali teritorij dosegla 80% polno precepljenost, se bo plačilo zmanjšalo na vsake 2 tedna, če boste še vedno upravičeni.

Koliko denarja dobite, je odvisno od vaše situacije. Preden zaprosite za plačilo, preverite ali ste upravičeni.

Prebivalci Avstralije morajo na spletu trditi, da je to najhitrejši in najpreprostejši način. Upravičenci, ki imajo delovno vizo, morajo poklicati Emergency information line za nujne primere na **180 22 66**.

COVID-19 Disaster Payment

This is a payment to help people who are unable to work and earn income due to a COVID-19 state or territory public health order. This may involve a lockdown, hotspot or movement restrictions.

Automatic payments will stop when 70% of people aged 16 or older in your state or territory are fully vaccinated with 2 doses of a COVID-19 vaccine.

If you are still affected by movement restrictions, you will need to reapply for the payment each week so we know you remain eligible.

After your state or territory reaches 80% fully vaccinated, the payment will reduce over 2 weeks, if you remain eligible.

How much you get will depend on your situation. Before claiming, check if you are eligible.

Australian residents must claim online, it is the quickest and simplest way. Eligible working visa holders must call the Emergency information line on **180 22 66**.
