If you are still affected by movement restrictions, you will need to reapply for the payment each week so we know you remain eligible.

After your state or territory reaches 80% fully vaccinated, the payment will reduce over 2 weeks, if you remain eligible.

How much you get will depend on your situation. Before claiming, check if you are eligible.

Australian residents must claim online, it is the quickest and simplest way. Eligible working visa holders must call the Emergency information line on **180 22 66**.
