Medicare is Australia's health care system

Medicare helps cover the cost of some health care services.

How Medicare works

We provide payments and services that can help when you or someone you care for use health care services or buy medicines.

If you are eligible, Medicare helps with:

- free or cheaper treatment by doctors, specialists, optometrists, and in some cases dentists and health practitioners
- low cost medicine
- free treatment and accommodation in a public hospital.

How to enrol in Medicare

You can enrol in Medicare by:

- completing a Medicare enrolment form
- mailing or emailing the form and supporting documents to **MES@servicesaustralia.gov.au**

You will get a Medicare card in the mail when you are enrolled. We will send it to the address you give us. You can get a digital copy of your Medicare card on your myGov account linked to Medicare.

To do your business with us online, create a myGov account and link to Medicare. To find out more, go to:

- servicesaustralia.gov.au/mygovguides
- servicesaustralia.gov.au/medicarecard

Medicare card

You need a valid Medicare card to:

- claim Medicare benefits
- visit a doctor who bulk bills
- get treated as a public patient in a public hospital
- get some medicines at a lower cost.

Your Medicare card can also help if you are a private patient getting treatment in a public or private hospital.

We can issue a maximum of 2 cards to a family. If you are 15 or older, you can get your own Medicare card.

If your Medicare card is lost or stolen, you can easily get a new one using your Medicare online account or the Express Plus Medicare mobile app.

For more information in English, go to servicesaustralia.gov.au/medicarecard

Claiming

You can claim for health care services for anyone listed on your Medicare card.

Staff at your doctor's office can submit the claim on your behalf if they offer electronic claiming.

If your doctor's office cannot submit the claim on your behalf, you can submit a claim:

- using your Medicare online account through myGov
- using the Express Plus Medicare mobile app
- in person at a service centre
- via post by completing a Medicare Claim form (MS014).

You can also claim for someone on another Medicare card if you have paid for the service. You cannot do this online.

To find out more about claiming options in English, go to servicesaustralia.gov.au/medicare/claiming

Reciprocal Health Care Agreements

Medicare does not cover treatment when you go overseas. However, the Australian Government has signed Reciprocal Health Care Agreements (RHCA) with some countries to cover Australians for the cost of essential medical treatment while they are visiting those countries.

Visitors from those countries may also be able to get some health services and cheaper medicines when they are in Australia.
