Health Delivery Modernisation Program – phase three

CATEGORY: Improving services

Under this measure, the government will continue to invest in the Health Delivery Modernisation Programme. This will deliver new digital health services and modernise the health payment system for all Australians.

This measure will make more health services available digitally including:

- Medicare enrolment and re-enrolment
- Medicare Entitlement Statement application
- Digital claiming for the Continence Aids Payment Scheme
- Medicare Provider Number application for allied health professionals
- Medicare complex care plan status
- Pharmaceutical Benefits Scheme (PBS) written authority approval.

The measure will put the needs of people and business first, through simple, helpful, respectful and transparent government services. The measure will also expand health system capabilities to deliver health policies and reforms.

This measure is not subject to the passage of legislation.

Who does this measure affect?

This measure will affect all Australians and businesses who interact with Medicare, PBS and other health services.

When will this start and finish?

The measure will start on 1 July 2022 and end on 30 June 2024.
