

Budget 2023-24

Sustain myGov

Services Australia will receive \$120.1 million in 2023-24 to sustain myGov. This will ensure that myGov remains contemporary, secure and easy to use.

myGov is the critical entry point for accessing whole-of-government services online in Australia.

Services Australia delivers the myGov platform on behalf of the Australian Government and provides services on behalf of other agencies, including maintaining the platform and providing customer support.

This measure includes funding to support the new myGov app, including the addition of digital credentials. It will also allow for the expected growth in people using myGov.

This measure will continue to maintain the security and privacy of myGov, giving people confidence that myGov remains secure and stable in line with community expectations.

This measure is not subject to legislation passing.

Who this measure affects

This supports the Australian community, including people in regional and rural areas, and vulnerable people.

When this starts and finishes

This measure will start on 1 July 2023 and finishes on 30 June 2024.
