# Australian pension – what you can claim

---

## Requirements

To claim an Australian Age Pension, a period of permanent Australian residence must be proved.

'Permanent' means you lived in Australia on a long-term basis, with a permanent residence visa or as an Australian citizen. Holidays in Australia are not included. Holidays or short trips outside Australia while you were living in Australia are included as part of your residence in Australia.

**If you have never lived in Australia you cannot be paid an Australian pension.**

The amount of pension you get paid will depend on how long you have lived in Australia between the ages of 16 and age pension age.

The amount of pension usually also depends on your (and/or your partner's) income and assets.

**You should claim Age Pension if:**

- you are over age pension age (please refer to the table below), **AND**
- you have lived in Australia for more than 10 years, OR
- the period of time you have lived in Australia and the period of time that you contributed to the Maltese Social Insurance Scheme adds up to more than 10 years.

**Pension age and claim lodgement rules**

***You can lodge your claim for Age Pension up to 13 weeks before you reach age pension age.***

A claim lodged more than 13 weeks before you reach age pension age does not meet Australian legislation provisions and another claim will be required.

**Age requirements**

To be paid Age Pension you must meet the age requirements. You can lodge a claim up to 13 weeks before your qualifying age. See table below.

<b>Date of birth</b>	<b>Qualifying age</b>
On or before 31 December 1953	You meet the age requirements now
1 January 1954 to 30 June 1955	66 years
1 July 1955 to 31 December 1956	66 years 6 months
From 1 January 1957	67 years

**You should claim Disability Support Pension if:**

- you are aged between 16 and age pension age, AND
- you are unable to work because of a disability or are permanently blind, AND
- your disability occurred while you were living in Australia, OR
- you have lived in Australia for more than 10 years, OR
- the period of time you have lived in Australia and the period of time you worked and contributed to the Maltese Social Insurance Scheme add up to more than 10 years.

‘Work’ means any type of work which is over 8 hours per week. This is not limited to your usual occupation.

***If you are claiming a Disability Support Pension you may be required to undergo a medical examination. We will advise you if an examination is necessary.***

If you are claiming Disability Support Pension, you will need to complete a ***Work capacity – Customer Information*** form (AUS142) and have your doctor complete a ***Treating doctor’s report*** (AUS109).

If you do not have these forms, you can download them from [servicesaustralia.gov.au/forms](https://servicesaustralia.gov.au/forms) or contact your local Maltese Social Security office or Services Australia.

---

**You should claim Parenting Payment if:**

- you are a widow and you are still single, AND

---

### **Your obligations**

Australian pension is paid subject to an income and assets test.

Most forms of income will affect the amount of Australian pension that you can be paid. The income test allows you to receive an amount of income before your Australian pension will be affected. You are required to tell us about all of the income that you receive and we will work out how it affects the amount of Australian pension that you can be paid.

The assets test allows you to have a certain level of assets before your Australian pension will be affected. As with income, you are required to tell us of all of your assets and we will tell you how they affect your Australian pension.

### The income test

How much payment you receive will depend on your circumstances and your (and/or your partner's) income and assets.

We calculate the amount that could be paid to you, and if applicable, to your partner under both the income test and the assets test. The test giving the lower rate of payment is the one used to pay you and/or your partner.

Income includes money received from employment and money deemed to be earned from investments. It also includes money from outside Australia.

You can have income up to certain amounts before your payment is reduced.

#### **Your income may include:**

- deemed income from financial assets
- gross income from earnings
- income received to provide care
- net income from business, including farms
- family trust distributions or dividends from private company shares
- income attributable to the controllers of a private trust or private company
- income from rental property
- income from a life interest
- income from boarders and lodgers (other than immediate family)
- superannuation and pensions from countries other than Australia
- income from income stream products, superannuation pensions and annuities.

For more information about income, go to our website [servicessaustralia.gov.au/income](https://servicessaustralia.gov.au/income)

## The assets test

Most property and items you (and/or your partner) own or have interest in, including those assets held outside Australia, are taken into account when calculating your payment.

The value of your assets is what you would get for them if you sold them at market value.

Generally, any debt owing on an asset is deducted from the value of the asset.

### Your assets may include:

- rental properties, farms, second or holiday houses
- cars, caravans, boats or trailers
- home contents and personal effects, including antiques or other collectables
- the market or trade value of all savings and investments, including funeral bonds
- loans you have made to other people, family trusts and companies
- value of most income stream products
- business assets
- interest in a private trust or private company
- superannuation investments held by people over Age Pension age
- licenses, for example fishing or taxi
- surrender value of life insurance policies, and
- any assets given away or sold for less than their market value within the last 5 years.

### The following assets are NOT included:

- your principal family home (and up to 2 hectares of privately used surrounding land that is on the same title), and any permanent fixtures such as wall-to-wall carpet and wall heaters
- some income stream products
- cemetery plots and pre-paid funeral expenses
- any property or monies left to you in an estate which you are not yet able to receive, generally for a period up to 12 months
- accommodation bonds paid to an aged care home or on entry to residential aged care
- aids for people with a disability
- monies received from the National Disability Insurance Scheme to provide for the needs of people with a disability
- most compensation or insurance payments for loss or damage to buildings or personal effects
- any life interest, reversionary interest, remainder interest or contingent interest unless it was created by you, your partner or at the time of death of your partner, and
- assets up to a certain limit held in a Special Disability Trust (SDT) for an immediate family member.

These are called exempt assets.

For more information about assets, go to our website [servicessaustralia.gov.au/assets](https://servicessaustralia.gov.au/assets)

### L-obbligi tiegħek

Il-Pensjoni Awstraljana titħallas skont test tad-dħul u tal-assi.

Il-biċċa l-kbira ta' forom ta' dħul ser jolqtu l-ammont tal-pensjoni Awstraljana li tista' titħallas. It-test tad-dħul iħallik tirċievi ammont ta' dħul qabel ma tintlaqat il-pensjoni tiegħek Awstraljana. Int mitlub tgħidilna dwar id-dħul kollu li tirċievi u aħna naħdmu kif ser tolqot l-ammont tal-pensjoni Awstraljana li tista' titħallas.

It-test tal-assi iħallik iżżomm ċertu livell tal-assi qabel ma tkun milquta l-pensjoni tiegħek Awstraljana. L-istess bħad-dħul, int mitlub tgħidilna dwar l-assi kollha tiegħek u aħna ngħidulek kif ser jolqtu l-pensjoni tiegħek Awstraljana.

### It-test tad-dħul

Kemm tirċievi pagament ser jiddependi miċ-ċirkustanzi tiegħek u id-dħul u l-assi tiegħek (u/jew tas-sieħeb/sieħba tiegħek).

Aħna nikkalkulaw l-ammont li tista' titħallas, u jekk ikun jgħodd, lis-sieħeb/sieħba tiegħek skont it-test tad-dħul u t-test tal-assi. It-test li jirriżulta fir-rata aktar baxxa tal-pagament hu dak użat biex inħallsuk u/jew lis-sieħeb/sieħba tiegħek.

Id-dħul jinkludi flus li rċevejt minn impjeg u flus meqjusa (deemed) li qlajt minn investimenti. Jinkludi wkoll flus minn barra l-Awstralja.
