

When to use this form

Use this form if you would like to permit another person or organisation to enquire or act on your behalf for child support matters when dealing with Services Australia.

Important information

The person you nominate can be anyone above 18 years, such as, a relative, a friend or your solicitor.

Your representative will be able to make enquiries, lodge forms you have signed and provide information to us about you. You can limit the details your representative can access and discuss about your case. You can also specify the date this authorisation will expire.

Your representative can perform other limited actions on your behalf, including making a payment arrangement for you to pay your debt, except where we are taking action to enforce payment.

Representatives are not able to:

- make applications or elections or sign documents on your behalf, or
- change your contact details in our records unless you specifically agree to this.

We are not obliged to recognise a customer's representative. We will not deal with your preferred representative if we think your representative is not acting in your best interests or behaves unreasonably when dealing with us.

If your Authorised Agent (someone with Power of Attorney or similar legal power) is acting for you in relation to child support, you can send us a copy of their authority. You do not need to complete this form for them.

Online account

You can access your Child Support online account through myGov. myGov is a secure way to access a range of government services online with one username and password. You can create a myGov account at my.gov.au and link your Child Support online account to it.
