

# Ankylosing spondylitis – continuing authority application

## When to use this form

Use this form to apply for **continuing** PBS-subsidised biological medicines (**originator** brands) for patients aged 18 years or older with ankylosing spondylitis.

Applications for continuing PBS-subsidised **biosimilar** brands of adalimumab, etanercept and infliximab are **Authority Required (Streamlined)** and do not require authority approval from Services Australia for the listed quantity and repeats.

## Important information

**Continuing** authority applications for **originator** brands must be in writing and must include sufficient information to determine the patient's eligibility according to the PBS criteria.

Applications for **balance of supply** can be made in real time using the **Online PBS Authorities** system or by phone. Call 1800 700 270 Monday to Friday, 8 am to 5 pm, local time.

Call charges may apply.

Under no circumstances will phone approvals be granted for ankylosing spondylitis **continuing** authority applications for **originator** brands.

Where the term 'biological medicine' appears, it refers to adalimumab, certolizumab pegol, etanercept, golimumab, infliximab, ixekizumab, secukinumab, tofacitinib and upadacitinib.

A copy of the Bath Ankylosing Spondylitis Disease Activity Index (BASDAI) is provided for your convenience, but is not required to be submitted with this application.

The information in this form is correct at the time of publishing and may be subject to change.

## Continuing treatment

This form is **ONLY** for **continuing** treatment with an **originator** brand.

The patient remains eligible to receive **continuing** treatment providing they continue to sustain a response to treatment.

## Section 100 arrangements for infliximab i.v. only

This item is available to a patient who is attending:

- an approved private hospital, **or**
- a public hospital

**and** is a:

- day admitted patient
- non-admitted patient, **or**
- patient on discharge.

This item is not available as a PBS benefit for in-patients of a public hospital.

The hospital name and provider number must be included in this authority form.

## Treatment specifics

The assessment of the patient's response to the course of treatment must be conducted within the time frame specified in the restriction. Where a demonstration of response is not conducted within the required time frame, the patient will be deemed to have failed treatment with that particular PBS-subsidised biological medicine.

A patient who has experienced a serious adverse reaction of a severity necessitating permanent treatment withdrawal is not considered to have failed treatment with that particular PBS-subsidised biological medicine.

## For more information

Go to [servicesaustralia.gov.au/healthprofessionals](https://servicesaustralia.gov.au/healthprofessionals)

**13** The patient has demonstrated an adequate response to treatment evidenced by:

a BASDAI score of

Date of assessment (DD MM YYYY)

<input type="text"/>	<input type="text"/>	<input type="text"/>
----------------------	----------------------	----------------------

and

an erythrocyte sedimentation rate (ESR) level of  
 mm/hr

Date of test (DD MM YYYY)

<input type="text"/>	<input type="text"/>	<input type="text"/>
----------------------	----------------------	----------------------

and/or

a C-reactive protein (CRP) level of  
 mg/L

Date of test (DD MM YYYY)

<input type="text"/>	<input type="text"/>	<input type="text"/>
----------------------	----------------------	----------------------

Where only one marker (ESR or CRP) has been provided at baseline, the same marker must be used for assessment for all continuing applications. All measurements must be **no more than 4 weeks old** at the time of application.

### Checklist

**14**  The relevant attachments need to be provided with this form.

The completed authority prescription form(s).

### Privacy notice

**15** Personal information is protected by law (including the *Privacy Act 1988*) and is collected by Services Australia for the purposes of assessing and processing this authority application.

Personal information may be used by Services Australia, or given to other parties where the individual has agreed to this, or where it is required or authorised by law (including for the purpose of research or conducting investigations).

More information about the way in which Services Australia manages personal information, including our privacy policy, can be found at [servicesaustralia.gov.au/privacypolicy](http://servicesaustralia.gov.au/privacypolicy)

### Prescriber's declaration

You do not need to **sign** the declaration if you complete this form using Adobe Acrobat Reader and return this form through Health Professional Online Services (HPOS) at [servicesaustralia.gov.au/hpos](http://servicesaustralia.gov.au/hpos)

**16** I declare that:

- I am aware that this patient must meet the criteria listed in the current Schedule of Pharmaceutical Benefits to be eligible for this medicine.
- I have informed the patient that their personal information (including health information) will be disclosed to Services Australia for the purposes of assessing and processing this authority application.
- I have provided the completed authority prescription form(s) and the relevant attachments as specified in the Pharmaceutical Benefits Scheme restriction.
- the information I have provided in this form is complete and correct.

I understand that:

- giving false or misleading information is a serious offence.

I have read, understood and agree to the above.

Date (DD MM YYYY) (you **must** date this declaration)

<input type="text"/>	<input type="text"/>	<input type="text"/>
----------------------	----------------------	----------------------

Prescriber's signature (**only** required if returning by post)

---

### Returning this form

Return this form, the authority prescription form(s) and any relevant attachments:

- **online** (no signature required), upload through HPOS at [servicesaustralia.gov.au/hpos](http://servicesaustralia.gov.au/hpos)  
**or**
- by post (signature required) to

# Bath Ankylosing Spondylitis Disease Activity Index (BASDAI)

Place a mark on each line below to indicate your answer to each question as it relates to your **past week**.

**1** How would you describe the overall level of fatigue/tiredness you have experienced?

**2** How would you describe the overall level of Ankylosing spondylitis neck, back or hip pain you have had?

**3** How would you describe the overall level of pain/swelling in joints other than your neck, back or hips that you have had?

**4** How would you describe the overall level of discomfort you have had from any areas tender to touch or pressure?

**5** How would you describe the overall level of morning stiffness you have had from the time you wake up?

**6** How long does your morning stiffness last from the time you wake up?

## Scoring the BASDAI

Measure each question from 'None' to the patient's mark in centimetres.

Add Q5 and Q6 and divide by 2 = A

Add Q1, Q2, Q3 and Q4 = B

Add A and B and divide by 5 = BASDAI score

BASDAI prepared by the Pharmaceutical Benefits Branch, Australian Government Department of Health and Aged Care, 15 July 2004. Reproduced and extracted from: Garrett, Sarah et al. (1994) A New Approach to Defining Disease Status in Ankylosing Spondylitis: The Bath Ankylosing Spondylitis Activity Index. *Journal of Rheumatology*, 21 (12), 2286–2291, with the permission of the copyright holder.
