The Paid Parental Leave scheme for employers

The Australian Government gives financial support to eligible parents through the Paid Parental Leave scheme. This helps parents take time off work to care for a newborn or recently adopted child.

This scheme consists of Parental Leave Pay which is a shared payment between parents. It can help your employees take time off work to care for a newborn or recently adopted child.

Parental Leave Pay is available to eligible full time, part time, casual, seasonal, contract and self employed workers.

An employee may still get this payment if they experience a stillbirth or infant death.

Your role in the scheme

You play an important role in the Paid Parental Leave scheme.

Your employee may ask to take leave to care for a newborn or recently adopted child, and want to apply for Parental Leave Pay.

It is up to your employee to apply for Parental Leave Pay through us and negotiate leave arrangements with you. To get Parental Leave Pay, your employee must meet all criteria.

We may pay Parental Leave Pay directly to your employee. If we decide you must provide an employee's Parental Leave Pay, we'll send you a letter to let you know. We will also give you the Parental Leave Pay funds to pay your employee.

You will need to give Parental Leave Pay to an employee who:

- has a newborn or recently adopted child
- has worked for you for at least 12 months before the expected date of birth or adoption
- will be your employee until at least the end of their Paid Parental Leave period
- lives in Australia
- is expected to get at least 8 weeks of Parental Leave Pay.

Your business must have an Australian Business Number (ABN) to be part of the scheme.

You do not have to give Parental Leave Pay to your employee before you've got the funds from us.

Talking to your employee about parental leave

If your employee is expecting or adopting a child, talk to them early about their plans.

Some topics to cover are:

- what leave is available and how it might be taken at the same time as Parental Leave Pay (for example, paid or unpaid leave)
- when your employee would like to start their leave and when they expect to return to work
- how they would like to manage their return to work (for example, returning part time)
- information your employee needs to give us about your business, when they lodge a claim for Parental Leave Pay.

Effect on leave entitlements

The scheme does not give your employees an entitlement to leave. They must negotiate leave arrangements with you. Your employee's Parental Leave Pay does not change any of their existing leave entitlements.

Your long term employees can get a minimum of 12 months unpaid parental leave under the *Fair Work Act 2009*. They can also ask for an additional 12 months unpaid leave on top of this. A long term employee is someone who has worked for your business for 12 months or more.

If your employee is part of a couple, both may get unpaid parental leave under the National Employment Standards. In these cases, there are other minimum entitlements you need to be aware of.

For example, they can take up to 3 weeks of unpaid leave at the same time, immediately after the birth or adoption. If you agree, they can take it any time in the first 6 weeks after the birth or adoption. They can also take 24 months unpaid parental leave between them.

You cannot deny entitlement to paid maternity or parental leave if it is part of an industrial agreement or law. This applies for the life of the agreement or law.

Go to fairwork.gov.au or call the Fair Work Ombudsman on **131 394** for information about:

- employment entitlements
- workplace obligations
- the Fair Work Act 2009

How we will pay you

You do not have to give Parental Leave Pay before you've got the funds from us. We will transfer funds into your nominated bank account before your employee's usual pay cycle cut off. This is normally 7 days before.

Registering your business

To be part of the Paid Parental Leave scheme, you need to register your business with us. You can opt in to give Parental Leave Pay to employees you do not need to give it to.

The easiest way to register for the Paid Parental Leave scheme is by logging on to our online services for businesses. If you choose not to use our online services or you do not have access to the internet, you can also register by calling us in English on **131 158**.
