Child Dental Benefits Schedule?福利详情

您可以为每个符合资格的儿童在两个连续日历年度内申领最高\$1095的补助。两年封顶期限自儿童第一次得到符合条件的牙科服务开始计算。

如果儿童在第一年没有用完\$1095的补助，在第二年如果仍然符合申领资格，则可以继续使用上一年的余额。如果您没有在两个日历年度内用完全部补助金，将无法再使用余额。您将必须等待开始一个新的两年补助期。

如果儿童不再符合申领资格，您也将无法使用任何余额。

补助覆盖一系列服务，包括检查、X光、清洁、窝沟封闭、补牙、根管治疗和拔牙。

补助不包括牙科整形或美容牙科，也不能用于任何在医院里提供的服务。

CDBS 服务不会被记入 Medicare Safety Net 或 Extended Medicare Safety Net 的起始额度内。

- they are aged 0–17 years for at least 1 day of the calendar year
- eligible for Medicare, and
- getting an eligible payment from us at least once a year, or have a parent getting a payment from us at least once a year.

Benefits available under the Child Dental Benefits Schedule

You can claim up to \$1095 over 2 consecutive calendar years for each eligible child. The 2-year cap period starts when a child first gets an eligible dental service.

If a child does not use all of their \$1095 in the first year, they can use the remaining amount in the second year if they are still eligible. If you do not use the full amount within the 2 calendar years, you can not use the remaining funds. You will have to wait for a new 2 year cover period to start.

You also will not be able to use any remaining funds once your child is no longer eligible.

Benefits cover a range of services including examinations, X-rays, cleaning, fissure sealing, fillings, root canals and extractions.

Benefits are not available for orthodontic or cosmetic dental work and can not be paid for any services provided in a hospital.

CDBS services won't count towards the Medicare Safety Net or the Extended Medicare Safety Net thresholds.

Process for using the Child Dental Benefits Schedule

You can confirm your child's eligibility and balance amount using your Medicare online account at my.gov.au or calling the Medicare general enquiries line on **132 011**.

Make an appointment with a private or public dental provider and let them know you're eligible for the CDBS. At the time of the appointment, the dentist must discuss your child's treatment and any related costs with you before providing the services. After this you need to sign a consent form.

When the dentist has provided the services, they will bulk bill you or charge you for the services.

Claiming benefits under the Child Dental Benefits Schedule

If your dentist bulk bills, you don't need to submit a claim.

If your dentist doesn't bulk bill, you need to pay the account and claim your benefit from us.

You can submit a claim:

- electronically at the dental surgery, if your dentist offers electronic claiming
- using the Express Plus Medicare mobile app
- using your Medicare online account through myGov
- by downloading the Medicare claim form and posting it to the address on the form
- in person at a service centre.

You can not claim a benefit under the CDBS and from a private health insurer for the same dental service.
