

Growth hormone deficiency – childhood onset initial authority application

Online PBS Authorities

Requesting PBS Authorities online provides an immediate assessment in real time.

For more information and how to access the **Online PBS Authorities** system, go to servicesaustralia.gov.au/hppbsauthorities

When to use this form

Use this form to apply for **initial** PBS-subsidised somatropin for patients with childhood onset growth hormone deficiency.

Important information

Initial applications to start PBS-subsidised treatment can be made in real time using the **Online PBS Authorities** system, or in writing and must include sufficient information to determine the patient's eligibility according to the PBS criteria.

Under no circumstances will phone approvals be granted for childhood onset growth hormone deficiency **initial** authority applications.

The information in this form is correct at the time of publishing and may be subject to change.

Continuing treatment

This form is **ONLY** for **initial** treatment.

After an authority application for **initial** treatment has been approved, applications for **continuing** treatment can be made in real time using the **Online PBS Authorities** system or by phone.

Call 1800 700 270 Monday to Friday, 8 am to 5 pm, local time.

Treatment specifics

Somatropin is not PBS-subsidised for patients with Prader-Willi Syndrome aged 18 years or older without a documented childhood onset growth hormone deficiency.
