

Fabry disease – migalastat – initial authority application

When to use this form	Use this form to apply for initial PBS-subsidised migalastat for patients 12 years or over with Fabry disease.
Important information	<p>Initial applications to start PBS-subsidised treatment must be in writing and must include sufficient information to determine the patient's eligibility according to the PBS criteria.</p> <p>Under no circumstances will phone approvals be granted for Fabry disease initial authority applications.</p> <p>The information in this form is correct at the time of publishing and may be subject to change.</p>
Continuing treatment	<p>This form is ONLY for initial treatment.</p> <p>After a written authority application for initial treatment has been approved, applications for continuing treatment can be made in real time using the Online PBS Authorities system or by phone.</p> <p>Call 1800 700 270 Monday to Friday, 8 am to 5 pm, local time.</p>
Treatment specifics	<p>If hypertension is present in patients relying their eligibility on Fabry-related cardiac disease, the prescriber must treat it optimally for at least 6 months prior to submitting the first PBS authority application.</p> <p>Confirmation of eligibility for treatment with diagnostic reports including the confirmed mutations must be documented in the patient's medical records.</p>
