

Fabry disease – migalastat – initial grandfather authority application

When to use this form

Use this form to apply for **initial grandfather** PBS-subsidised migalastat for patients 12 years or over with Fabry disease who have received treatment with migalastat or Enzyme Replacement Therapy for the same condition funded under the Australian Government's Life Saving Drugs Program (LSDP) prior to **1 September 2024**.

Important information

Initial grandfather applications to start PBS-subsidised treatment must be in writing and must include sufficient information to determine the patient's eligibility according to the PBS criteria.

Under no circumstances will phone approvals be granted for Fabry disease **initial grandfather** authority applications.

The information in this form is correct at the time of publishing and may be subject to change.

Continuing treatment

This form is ONLY for **initial grandfather** treatment.

A patient may qualify for PBS-subsidised treatment under this restriction once only.

After a written authority application for **initial grandfather** treatment has been approved, applications for **continuing** treatment can be made in real time using the **Online PBS Authorities** system or by phone. Call 1800 700 270 Monday to Friday, 8 am to 5 pm, local time.

Treatment specifics

Confirmation of eligibility for treatment with diagnostic reports including the confirmed mutations must be documented in the patient's medical records.
