

When to use this form

Use this form to provide details about a horse being shipped across Bass Strait. Use a separate **TAS021** form for each horse claimed (one horse per form).

This form must accompany a Tasmanian Freight Equalisation Scheme (TFES) claim for horse(s).

Tasmanian Freight Equalisation Scheme horse claims

You may be eligible to claim assistance when you ship a horse (including foals), between Tasmania and the mainland of Australia.

You must have incurred and paid the cost of shipment.

Important information

Northbound horse – You may be eligible to receive assistance for Tasmanian bred horses shipped to the mainland of Australia for permanent use or sale, or for the purpose of transhipment.

Southbound horse – Primary producers that have been registered by Services Australia for southbound shipments may be able to receive assistance for horses that are bred on the mainland of Australia and are shipped to Tasmania for breeding or stockwork.

Brood mare round trip – You may be eligible to receive assistance for Tasmanian based brood mares that are shipped to the Australian mainland for servicing and return to Tasmania. Assistance is available for both the northbound and southbound legs of the round trip.

Foals born from eligible brood mares may be eligible for assistance on the return leg, if they are less than 6 months old at the time of shipment.

Both legs of the round trip must be completed before the claim is submitted.

Claims must be lodged within 6 months of the date of shipment of the return leg.

Sportpersons or professional entertainers horse round trip –

Sportpersons and professional entertainers may be eligible to claim assistance for horses that are shipped on a round trip across Bass Strait. The horses must be used in entertainment or a sporting event. Assistance is available for the return leg.

If the horse is being used for entertainment, you must be a professional entertainer who is receiving an income, fee or financial reward from performing in a show or event.

If the horse is being used in a sporting event, you must be a sportsperson who is competing in a sporting event where prize money or other financial reward is offered.

A round trip consists of an outward and return shipment of the same horse within a 6 month period.

Both legs of the round trip must be completed before the claim is submitted. Claims must be lodged within 6 months of the date of shipment of the return leg.

In addition to this form, you must also lodge a **Sportsperson and Professional Entertainers (TAS008)** form with your claim.
