About this form

The information below will help you answer questions in this form.

Calculating your cost of care

All aged care residents may be asked to pay a basic daily fee. Some residents may also be required to pay a means tested fee.

This form is used to calculate the amount you will pay towards your cost of care.

There are annual and lifetime caps that apply to the means tested fee for residents who entered residential aged care on or after 1 July 2014. Residents who entered residential aged care on or after 1 November 2025, have time limited and lifetime caps that apply to the means tested fee. Services Australia will write to you and your service provider once you have reached the annual, time limited or lifetime cap.

Some residents will have their accommodation costs paid in full or in part by the Australian Government. Others will need to pay the accommodation cost they negotiate with their registered provider.

The collection of your (and/or your partner's) personal information on this form, for the purposes of calculating your cost of care is voluntary. Services Australia collects this information to undertake assessments to determine the fees payable by care recipients, and government subsidies payable to registered providers, under the *Aged Care Act 2024*.

Without this information the care recipient will pay the maximum fees. All information collected by Services Australia can be accessed:

- through your Centrelink online account by signing in to myGov
- by calling the Aged Care line on **1800 227 475** or DVA on 1800 VETERAN (**1800 838 372**).

Services Australia only shares information with other parties where you have agreed, or where the law allows or requires it. For more information, go to servicesaustralia.gov.au/privacypolicy

Centrelink or Department of Veterans' Affairs payments

Means tested payments may include:

- Age Pension
- Disability Support Pension
- Carer Payment (not including Carer Allowance)
- Special Benefit
- Service Pension
- Income Support Supplement
- Veterans Payment
- Farm Household Allowance.

Continued

Non-means tested payments may include:

- Age Pension (Blind)
- Disability Support Pension (Blind)
- War Widow(er)s Pension
- Disability Compensation Payment paid by DVA (not including Income Support Supplement)
- Service Pension (Blind) paid by DVA.

Who should complete this form?

If you are receiving one of the Centrelink or DVA **means tested** payments listed on page 2 of the **Notes**, and own or partly own your home (including in a retirement village), complete this form, if you want us to adjust your cost of care to reflect your means, as we need to collect information about your home to complete your assessment.

Who should *not* complete this form?

Do not complete this form if you are receiving one of the Centrelink or DVA **means tested** payments listed on page 2 of the **Notes**, and:

- you do not own or partly own your home, and
- you have updated your income and assets within the last 2 years, or
- your assets and income have not changed since you last provided an update

We have enough information about you to complete your assessment.

If your income and assets have not been updated in the last 2 years or have changed since you last made an update, Services Australia customers can go **online** through myGov or call Services Australia on **132 300** to update them. DVA clients can complete this form or call DVA on 1800 VETERAN (**1800 838 372**).

If you are **not** receiving any Centrelink or DVA payments OR you are receiving a Centrelink or DVA **non-means tested** payment listed at the top of this page, **do not** complete this form. You will need to complete the **Residential aged care calculation of your cost of care (SA457)** form, for us to calculate your cost of care, as we do not know enough about your income and assets to complete your assessment.

If you do not have this form, go to servicesaustralia.gov.au/forms

**Protected person for
aged care purposes**

For aged care legislation purposes, a protected person is:

- your partner or dependent child
- your carer¹ who is eligible to receive an Australian Government income support payment and who has lived in your home with you for the past 2 years
- your close relative who is eligible to receive an Australian Government income support payment and who has lived in your home with you for the past 5 years.

If your home is occupied by a protected person, it may not be counted as an asset for aged care purposes.

Your carer or close relative will need to give their consent in this form to allow Services Australia or DVA to check their eligibility for an income support payment.

This exemption may be lost if the protected person who has been living in the home, moves out of the home or loses their eligibility for their income support payment.

¹ It is not necessary for your carer to have received a Carer Payment or Carer Allowance in order to be considered a carer. However, at the date you enter care or complete this form your carer must meet the eligibility criteria for an Australian Government income support payment (notionally entitled person).

**Retirement villages
or independent living
units**

Retirement villages or independent living units are not residential aged care homes and are not subsidised by the Australian Government. A retirement village provides accommodation for retirees (55 years or older). Independent living units are a housing option for older people who want to live independently.

Residents of retirement villages or those living in independent living units generally enter into an agreement that outlines how much they will pay to enter and the amount (if any) refundable after they leave. Following departure the amount refundable may be subject to this assessment.

Changes you should tell us about

You should tell us if:

- you marry, are in or start a registered or de facto relationship, reconcile with a former partner, start living with someone as their partner
- you separate from your partner
- your partner dies
- your (or your partner's) financial circumstances change
- your protected person details have changed
- a dependent child or student either enters or leaves your care
- the status of your family home changes, for example, you sell your home
- you enter residential aged care.

Changes such as these may affect the amount of pension you receive or the aged care fees you may be asked to pay.

To advise us of changes, call us on **1800 227 475** or DVA on **133 254**.

The **power of attorney** or **authorised person** of the customer will need to provide photo identification in person at one of our service centres, agents or access points to have their identity verified.
