

Almost one million people have a Medicare benefit waiting to be paid.

We can't pay your Medicare benefit to you if we don't have your bank details.

Check we've got your details:

-  online through the myGov app or **my.gov.au** and select Medicare
-  by calling Services Australia on **132 011**
-  by visiting a service centre.

For more information, go to **servicesaustralia.gov.au/getmedicarebenefits**
