Services Australia needs to know to what bank account you want your Australian pension sent. Your pension will be issued electronically to your bank account in US Dollars. If you are not sure, please confirm with your bank that your account is capable of receiving wire transfer payments in US dollars.

Please note that payments may be subject to fees levied by your bank, and such fees must be paid by you.

The nominated account must be in your name, or that of your registered Services Australia nominee, or it may be a joint account with another person. If you would like to register a nominee to act on your behalf in dealings with Services Australia, please contact us.

Please attach a copy of a bank document that shows your bank details, including your account number, the name(s) of the account holder(s) and, if you have one, your International Bank Account Number (IBAN). Once the form is completed, please sign and return it to the address below. If you need help, contact the Services Australia, International Services (contact details below).
