This data represents the March quarter 2011 data.

Payment: Concession Cards, Source: BDS, Extract date: 11/03/2011.

Some records can not be assigned to an electorate. Approximately 80% of these are explained by customers living overseas or whereabouts unknown (WUK) on the Centrelink system.

The remaining 20% of client addresses could not be recognised by the coding process.

Consequently, the associated data has been excluded from this table.

The information contained in this table cannot be used in any external publication without approval.

Concession Caveats:

1. The above data represents a specific point in time (or snapshot) as at the date identified in the source above.
2. The figures above represent the number of customers who are cardholders, and do not represent the number of cards issued to customers.
3. Due to Privacy and Confidentiality guidelines, all cells that have a value of less than 20 have been displayed with the <20 symbol.
4. A small amount of Concession Cardholder customers could not be assigned to specific Federal Electorates.
5. ** These people do not receive income support and include people on low incomes, maximum rate Family Tax Benefit (FTB) recipients, foster children, certain disabled children, Mobility Allowance only recipients and former long-term unemployed income support recipients who have obtained employment (such customers can retain their card for 6 months after entering employment, to ease the transition from welfare to work).
