Privacy

Due to Privacy and Confidentiality guidelines, all cells that have a value of less than 20 have been displayed with the <20 symbol.

Concession Caveats:

The figures represent the number of customers who are cardholders, and do not represent the number of cards issued to customers.

Family Tax Benefit Caveats:

1. Around 75 per cent of all families with at least one dependent child aged under 16 are eligible to receive FTB. Therefore, it should be viewed differently to other Centrelink payments which by their targeted nature can help to identify segments of the population considered to be disadvantaged. FTB is too broadly targeted to serve that purpose.
2. Approximately one-third of FTB customers also receive Income Support Payments and may be shown in both categories.
3. Information shown here in regard to FTB Part A and Part B refers only to fortnightly instalment customers paid directly by Centrelink. It excludes an additional 10 per cent (approximately) who are paid through a Centrelink lump sum which is claimable at the end of a financial year.
4. Where the tabulation shows FTB Part A and B separately, approximately three-quarters of customers will appear in both categories as they are in receipt of both payments.
5. This information represents the current population at a point in time and does not represent the total eligible population for the financial year.

Carer and Disability caveats:

Carer Allowance Excludes Carer Allowance (Child) HCC Only customers
Wife Pension (DSP) Entry to this payment ceased on 1 July 1995
