

# Social Security Agreement between Australia and the Slovak Republic

## Australia's social security system

Australia's social security system is different to most other developed countries. Each person's pension is paid by the Australian Government out of general funds, rather than through contributions paid by individuals and employers into a social insurance fund. For this reason, Australian pensions are income and asset tested.

The Department of Human Services (DHS) delivers Australian social security payments to individuals.

You will have to tell us about all of your, and in some instances, your partner's<sup>1</sup> income and assets if you want to claim an Australian pension.

## How does the agreement help you?

The agreement generally allows you to lodge a claim for payment from either country. It also allows you to add together your periods of residence in Australia and periods of social security coverage in the Slovak Republic, so you can meet the minimum requirements for payment.

## Who can get an Australian payment?

If you live in Australia or the Slovak Republic, you can lodge a claim for the Australian Age Pension in either country.

To qualify under the agreement, you need to meet the following basic requirements\*:

### Age Pension

You may be able to get Age Pension if:

- you are over the qualifying age (refer to [humanservices.gov.au](http://humanservices.gov.au) for details), and
- the total period of time you have lived in Australia and/or your periods of coverage in the Slovak Republic add up to more than 10 years.

**Note:** if you live outside Australia when you claim, you generally need at least 12 months Australian Working Life Residence<sup>2</sup>, of which six months must be continuous.

\*There may be additional requirements you need to meet before you can be paid.

## Who can get a Slovak payment?

Under the agreement, you can add periods of Australian Working Life Residence<sup>2</sup> to your periods of coverage in the Slovak Republic to meet the minimum requirement for the Slovak Old Age Pension, Invalidity Pension and Survivor's Pension.

The Slovak pension authorities make all decisions about Slovak payments. For more information about Slovak payments, you should contact the Slovak pension authorities<sup>3</sup>.

## Should I lodge a claim?

We can't be sure if you will get a payment, until you lodge a claim and your circumstances are taken into account. It is your responsibility to decide whether you lodge a claim for payment or not.

## From what date are the payments available?

Most government payments are paid from, or after the date on which the application is made so the sooner you lodge your application, the quicker you may be paid.
