How to confirm your income for Family Tax Benefit

If you need to lodge a tax return

If you or your partner (if you have one) worked in the year or got a Centrelink payment, you may need to lodge a tax return with Australian Taxation Office (ATO).

You may still need to lodge a tax return even if you or your partner stopped working or changed jobs.

This is so we can balance your Family Tax Benefit (FTB). We can only balance your FTB after you get your letter from the ATO confirming your income.

If you do not need to lodge a tax return

If you or your partner do not need to lodge a tax return to confirm your income you need to tell us:

- about any money you got from working
- any money you got from Centrelink payments.

If you are not sure about money you got in the financial year and if you or your partner need to lodge a tax return you can call the ATO Indigenous helpline on **13 10 30** and they will let you know if you need to lodge.

Telling us if you do not need to lodge a tax return

You can let us know by:

- calling the Families line on **13 61 50**
- calling the Centrelink Indigenous Call Centre on **1800 136 380**
- using your Centrelink online account through myGov
- using your Express Plus Centrelink mobile app
- visiting a Services Australia (Centrelink) service centre
- talking to Services Australia (Centrelink) when they visit your community.

To find out more about FTB balancing go to servicesaustralia.gov.au/ftbbalancing

If you need more information

- visit your local Services Australia (Centrelink) service centre
- talk to Services Australia (Centrelink) when they visit your community
- call the Indigenous Call Centre on 1800 136 380.

If you call us, you will need to tell us your Customer Reference Number (CRN) and answer some questions about who you are, so that we make sure it is you.

You can also ask for an interpreter when you call or visit us. We will provide one for free.
