Services Australia Child Care Subsidy

Services Australia can help with the cost of approved child care.

We pay Child Care Subsidy directly to your child care provider to reduce the fees you pay.

The amount of subsidy you can get depends on your family's income, the type of child care you use, the age of your child and the hours of recognised participation you and your partner do.

Recognised participation can include work, study, training or volunteering.

Services Australia has an Additional Child Care Subsidy as extra support for some families.

This includes:

- grandparents and great grandparents
- families moving from an income support payment to work
- those experiencing temporary financial hardship, and
- those caring for a child who is vulnerable or at risk of harm, abuse or neglect.

You can claim Child Care Subsidy using your Centrelink online account through myGov.
