Ngunhiyi nhungu partner djal exemption-gu, wanga walal dhu limurrunggal walalang options-gu mala.

Exemptions from Income Management (BasicsCard) and enhanced Income Management (SmartCard) if you don't have children in your care all the time

Some people on Income Management (BasicsCard or Green Card) and enhanced Income Management (SmartCard or Blue Card) in the Northern Territory can get an exemption.

An exemption means you don't have to be on BasicsCard or SmartCard and you will stay off them unless your circumstances change.

If you do not have children in your care all the time, you may be able to get an exemption if you:

- are a full time student or apprentice
- are working and because of your work income you only got a little bit of your Centrelink payment for at least 4 of your last 6 payments from us
- get Special Benefit and are 16 or older.

Sometimes you might already have an exemption and you don't need to do anything. If you are unsure, you can call us to find out.

To ask for an exemption from BasicsCard, call the BasicsCard General Enquiry line on **1800 132 594**.

To ask for an exemption from SmartCard, call the SmartCard eIM hotline on **1800 252 604**.

Tell us if you need an interpreter and we will arrange one for free.

If your partner wants an exemption, they will need to talk to us about their options.
