Purpose of this form – The information you provide on this form will:

- help us decide if it is unreasonable for you to live at home.
- be used to determine your eligibility for, and provide payments and services to you and, where relevant, third parties. This information may also be used to detect or prevent fraud and/or recover payments.

Definition of a partner – For our purposes a person is considered to be **your partner** if you and the person are living together, or usually live together, and are married, or in a registered relationship (opposite-sex or same-sex), or in a de facto relationship (opposite-sex or same-sex).

We consider a person to be in a de facto relationship from the time they commence living with another person as a member of a couple. We recognise all couples, opposite-sex and same-sex.
