PBS

Juvenile idiopathic arthritis for adult patients with onset prior to age 18 continuing authority application

When to use this form

Use this authority application form (this form) to apply for **continuing** Pharmaceutical Benefits Scheme (PBS) subsidised biological agents for an adult patient with a documented history of juvenile idiopathic arthritis with onset prior to the age of 18 years.

Important information

Continuing applications must be in writing and must include sufficient supporting information to determine the patient's eligibility according to the PBS criteria.

Applications for balance of supply may be made in real time using the Online PBS Authorities System or by phone. Call **1800 700 270** Monday to Friday, 8 am to 5 pm, local time.

Call charges may apply.

Under no circumstances will phone approvals be granted for **continuing** authority applications.

The patient must be treated by a rheumatologist or clinical immunologist with expertise in the management of rheumatoid arthritis.

Where the term 'biological agent' appears, it refers to adalimumab, etanercept and tocilizumab.

The information on this form is correct at the time of publishing and may be subject to change.

Continuing treatment

This form is ONLY for **continuing** treatment.

The patient remains eligible to receive continuing treatment providing they continue to sustain a response to treatment.

Section 100 arrangements for tocilizumab i.v. only

This item is available to a patient who is attending:

- an approved private hospital
- a public participating hospital, **or**
- a public hospital

and is:

- a day admitted patient
- a non-admitted patient, **or**
- a patient on discharge.

This item is not available as a PBS benefit for in-patients of a hospital.

The hospital name and provider number must be included in this form.

Treatment specifics

A patient who has experienced a serious adverse reaction of a severity resulting in the necessity for permanent withdrawal of treatment is not considered to have failed treatment with that PBS subsidised biological agent.

Conditions and criteria

To qualify for PBS authority approval, the following conditions must be met.

12 The patient:

☐ is aged 18 years or older

and

☐ has received this drug as their most recent course of PBS subsidised biological agent treatment for this condition.

13 The patient has demonstrated an adequate response to treatment confirmed by:

☐ Erythrocyte sediment rate (ESR) no greater than 25 mm/hr

or

☐ C-reactive protein (CRP) no greater than 15 mg/L

or

☐ either marker reduced by at least 20% from baseline

Provide relevant details:

ESR _____ mm/h

Date of test _____ / / _____

CRP _____ mg/L

Date of test _____ / / _____

Where only 1 marker (ESR or CRP) has been provided at baseline, the same marker must be used for assessment for all continuing applications.

14 The patient has demonstrated an adequate response to treatment confirmed by:

☐ a reduction in at least 20 active joints count to fewer than 10 active joints

or

☐ a reduction in at least 20 active joints count by _____ %

or

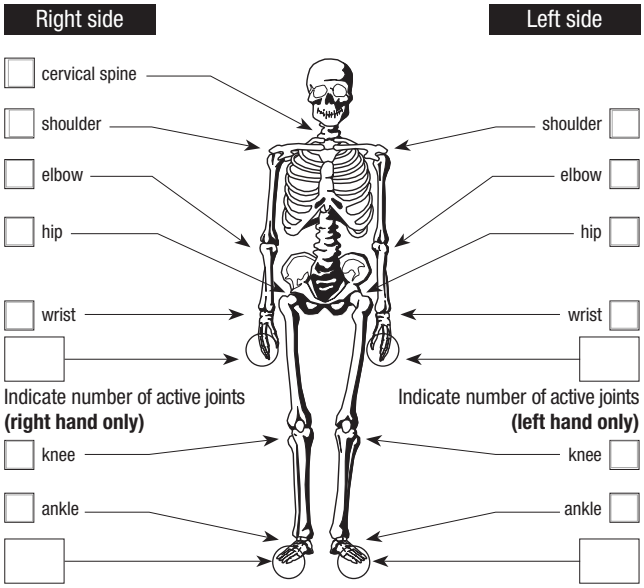
☐ a reduction in the major active joints count (from at least 4) by _____ % for

☐ elbow, wrist, knee and/or ankle (assessed as swollen or tender)

and/or

☐ shoulder, cervical spine and/or hip (assessed as pain in passive movement and restricted passive movement due to active disease and not irreversible damage).

15 Indicate affected joints on the diagram and complete the boxes below



Current active joint count

_____

Date of joint assessment

_____ / / _____

Where a patient has at least 4 active major joints and less than 20 total active joints at baseline, assessment of the major joints only will be used for all continuing applications.

Checklist

16 The relevant attachments need to be provided with this form.

☐ The completed authority prescription form(s).

Privacy notice

17 Personal information is protected by law (including the *Privacy Act 1988*) and is collected by Services Australia for the purposes of assessing and processing this authority application.

Personal information may be used by Services Australia, or given to other parties where the individual has agreed to this, or where it is required or authorised by law (including for the purpose of research or conducting investigations).

More information about the way in which Services Australia manages personal information, including our privacy policy, can be found at **servicesaustralia.gov.au/privacy**

Prescriber's declaration

18 **I declare that**:

- I am aware that this patient must meet the criteria listed in the current Schedule of Pharmaceutical Benefits to be eligible for this medicine.
- I have informed the patient that their personal information (including health information) will be disclosed to Services Australia for the purposes of assessing and processing this authority application.
- I have provided the completed authority prescription form(s) and the relevant attachments as specified in the Pharmaceutical Benefits Scheme restriction.
- the information I have provided in this form is complete and correct.

I understand that:

- giving false or misleading information is a serious offence.
